

Introduction:

Welcome to UNICEF! This organization was founded by the United Nations as a way to assist and protect children through humanitarian aid. Our mission is to support children's rights on a global scale, promote awareness on critical issues, and build connections within our community. We fulfill this mission through volunteering at the local food pantry located in the Amherst Survival Center, hosting fundraising events, and offering CPR classes. We hope to encourage fellow undergrads to be involved in humanitarian work, support those in the Amherst community, and help raise funds for communities abroad. We meet in the Student Union Building in room 361 A+B on the first Thursday of the month at 7-8 pm. Our first meeting will be held on **Thursday, October 2nd**. We hope to see you there!

September events:

- **Volunteering at the ASC:** Every week, starting this month, we will volunteer at the Amherst Survival Center, located at 138 Sunderland Rd, on Mondays from 8:30-9:30 am and Tuesdays from 3-4 pm. Similar to the general board meetings and events, this is not mandatory. Feel free to join us whenever you can!
- **World Clean Up Day with Circle K** (September 28th): Thank you Circle K Club for collaborating with us in making our campus a cleaner place! In honor of World Clean Up Day, we picked up trash starting at Isenberg. This was an opportunity to get to know our peers from across Circle K and UNICEF and do our part in keeping our campus clean! Thank you to everyone who attended!
